

CHALET ALDO  
ARABBA  
~ Second Floor Apartment ~  
Sleeps 4-6

Chalet Aldo is right at the heart of Arabba opposite the church in the main square and has excellent access to Arabba's shops and restaurants. There is a wonderful view from its south-facing balcony. In the picture below (top left), Chalet Aldo is represented by everything to the right of the building's apex. The other half of the building is our hosted chalet, Karin. Below is Café Peter, where we meet for Office Hour. This is not a noisy bar, nor a lively local nightspot - more a cafe.

The 2nd floor apartment has a large living/dining/kitchen area. The kitchen is well equipped with four ring gas hob, fridge, dishwasher and microwave. There are French windows to a furnished south-facing balcony, which offers stunning views of the mountains. There is double/twin bedroom and one triple/twin bedroom, both of which are very spacious. There is one bathroom with a bath and shower attachment.

*Our self catering prices include gas, electricity, bed linen. Towels are not included but can be pre-booked.*
